

1. This Planet's all we got

Tune and original words: trad. Gospel medley

New words: Bill Henderson

To the tune of This train is bound for glory

This planet's all we got, oh yeah! (x2)

This planet's all we got,

Let's make sure she don't get too hot 'cos

This planet's all we got, oh yeah!

Let's change the things we do, oh yeah! (x2)

Let's change the things we do,

And that means change for me and you, so

Let's change the things we do, oh yeah!

If there's no change that's it, oh yeah! (x2)

If there's no change that's it,

We all end up in deepest shit (Or we all end up in a deep dark pit),

If there's no change that's it, oh yeah!

To the tune of I'm gonna sing, sing, sing

I'm gonna sing, sing, sing,

I'm gonna dance, dance, dance,

I'm gonna sing, I'm gonna dance for this world,

With its land and air and sea,

It is home for you and me,

I'm gonna sing, I'm gonna dance for this world

To the tune of Oh When the Saints

Oh now it's time, to make a stand,

So come with us now hand in hand,

And march along and join our number,

Now it's time to make a stand

2. We're Standing Here

Words and music: Owly Dave; arr. Helen Yeomans

We're standing here, for this is an emergency,

We're standing here for all that we hold dear,

We're standing here, for beauty and diversity,

And we're standing in the love that binds us all

And we demand our government must tell the truth,

And they must act as if the truth is real,

And we demand a citizen's assem-b-ly

To urgently create a new green deal

We're rising up! We stand here in rebellion,

And we declare that e-co-cide's a crime

In love and rage, and peaceful dis-o-bed-i-ence,

The signs are clear,

We're running out of time

(Finish with section A ending on love that binds us all)

3. The People are Singing for Justice

4. We Shall Be Known

Karisha Longaker of MaMuse

We shall be known by the company we keep,
by the ones who circle round to tend these fires.
We shall be known by the ones who sow and reap
the seeds of change alive from deep within the earth.
It is time now, it is time now that we thrive,
it is time we lead ourselves into the well.
It is time now, and what a time to be alive,
in this great turning we shall learn to lead in love,
in this great turning we shall learn to lead in love.
