

Sing for the Climate

Tune: Bella Ciao, Trad. Italian

Words: As sung by Belgian climate activists

We need to wake up
We need to wise up
We need to open our eyes
And do it now now now
We need to build a better future
And we need to start right now

We're on a planet
That has a problem
We've got to solve it, get involved
And do it now now now
We need to build a better future
And we need to start right now.

Let's make it greener
Let's make it cleaner
Let's make it last, make it fast
and do it now now now
We need to build a better future
And we need to start right now.

No point in waiting
Or hesitating
We must get wise, take no more lies
And do it now now now
We need to build a better future
And we need to start right now!

The People are Singing for Justice

Based on East Timor freedom song, new words Mary McCann

Justice, climate justice (x3), the people are singing
for...

Bass:

The people are singing for justice,
we sing for justice,
we sing for justice, for justice

On this Good Green Earth (G/D)

(A) We are the tongue that tells the truth
We are the song upon the wind
We are the courage to step up,
We are the change that now begins

(B) On this good green earth we will make our stand,
with an open heart and a healing hand

We Shall Be Known

Karisha Longaker of MaMuse

We shall be known by the company we keep,
by the ones who circle round to tend these fires.
We shall be known by the ones who sow and reap
the seeds of change alive from deep within the earth.
It is time now, it is time now that we thrive,
it is time we lead ourselves into the well.
It is time now, and what a time to be alive,
in this great turning we shall learn to lead in love,
in this great turning we shall learn to lead in love.

And that's what we will do

*Tune: Soon I will be done with the troubles of the
World. New words: Bill Henderson*

1. The world is getting warmer & it's time for us to act
it's time for us to act, *now* it's time for us to act,
The world is getting warmer & it's time for us to act
And that's what we will do!

Chorus

No more, messing with the climate x3
Gonna try and heal the Earth

2. The MPs and the bankers *now* it's time to tell the
truth,
it's time to tell the truth, *now* it's time to tell the truth,
The MPs and the bankers *now* it's time to tell the
truth,
And that's what we will do!

Chorus

3. We'll sing & march & protest, until we get a
change, until we get a change, yes, until we get a
change.
We'll sing & march & protest, until we get a change,
And that's what we will do!

Chorus

4. Come join the global movement & listen to your
heart, listen to your heart *now just* listen to your
heart.

Come join the global movement & listen to your heart
And that's what we will do!

5. The world is getting warmer and the seas are
gonna rise, the seas are gonna ri-se, the seas are
gonna rise
The world is getting warmer and the seas are gonna
rise, Now tell us what's your plan.
